Programme for Twenty-Fourth Annual Tournament Contains Many Events.

## CONTEST FOR THE LEMP MEDAL

Final for the Republic Cup Will Be Postponed Until Members of the All-American Team Return.

The programme for the twenty-fourth annual tournament of the Missouri State Game and Fish Protective Association was issued yesterday. Many valuable events are on the cards to be shot at Dupont Shooting Park from May 28 to June 1, inclusive.

The Republic cup will be the most valuable trophy of the tournament, and will be shot for in open competition for the last time. The conditions for the handsome cup state that each man who has had possession of it at any time since the inauguration of the event shall be eligible to compete for it in a final shoot, which is to take place in the course of this year's tourney. Owing to the fact that J. A. R. Elliott, Fred Gilbert and Frank Parmelee, who are eligible to shoot for final possession of the trophy, will be unable to attend the Missouri shoot, the final will not be shot until some time in the fall. These three men are members of the All-American team, which will leave New York the latter part of this month for England, where they will compete in the international event in the British Isles.

The Lemp medal, a trophy in the local field, has been offered to take the place of the Republic cup, which will necessarily go out of competition this year. The Lemp Cup will be shot for under the same conditions which governed the Republic Cup.

One of the features of the prize events of the tournament will be that all ties must be shot off, except where otherwise agreed upon by every individual who is in the field.

The interstate individual championship shoot and its twin event, the State championship shoot, will be the features of the opening day. As Missouri Association member can count in both events on his score in the State field of entries in these events is expected to be the largest of all the live-bird contests.

### HERBERTA CRITICIZES MCGOVERN.

Think the Little Champion Should Have Finished Gardner Quicker.

REPUBLIC SPECIAL.

San Francisco, May 12.—Terry McGovern and Hererra will meet before the National Sporting Club of this city on May 23. Manager Harris was lucky to secure the match as the club would have arranged a match of more importance if they had been able to secure the principals. The club was obliged to use the date of McGovern's fight with the possible profits from whatever match they might bring off.

Local opinion not shared by the country sports, and Hererra and Manager Carillo seem to be sincere in their opinion that McGovern is not such a great antagonist as most people believe. After seeing Terry perform with Gardner, Hererra says that he thinks McGovern is the most overrated man I ever saw in the ring. He is, of course, a good man, but I can't whip him. I never want to appear in the ring again. If I couldn't have put out poor old Gardner quicker than he did I would cut my hat. McGovern must have won the championship from a lot of dubs. The many openings I saw him make were not in the ring, but in the ring with him instead of poor old Gardner.

Alec Greenglass, the ex-champion heavyweight, who was disappointed in McGovern, Greenglass says that any one who thinks Hererra hasn't a chance is badly mistaken.

Manager Carillo has engaged Tim McGrath to train Hererra and work has already been commenced at a San Jose roadhouse. McGrath has acquired far more confidence in his own ability than he has in the ability of Hererra, who has tried out and waxes eloquent over the Bakersfield boy's ability. Hererra says that San Francisco sports are not getting Hererra's stock very high just now, it is

# FIRST REGIMENT N. G. M. MARCHES TO FOREST PARK FOR SPECIAL DRILLS.

Fine Weather Breaks All the Old-Time Rainy-Day Traditions of the St. Louis Militiamen.

The old tradition that rain always falls when the First Regiment N. G. M. turns out for parade, did not hold good yesterday. On the contrary, sunshine and otherwise ideal weather greeted the soldiers when they filed out of their armory at Eighteenth and Pine streets, and continued during their march to Forest Park, the drill there and return to quarters.

Thousands of St. Louisans witnessed the procession along the line of march and watched the field maneuvers of the infantrymen at the park. The principal drill took place on the plain between the Lindell Ballway and the large lake. These consisted of exhibition drills by individual companies, a battalion drill and regimental movements. All the drills were executed with precision and were received with enthusiastic applause.

In spite of the fact that the maneuvers were the first field work done by the regiment this year, everything went off without a hitch, and all the companies appeared in fine condition, both in equipment and discipline. The ranks were well filled and orderly, and none of the disregard for regulations usually prominent in militia organizations were noticed anywhere in the line on the march or in the field. Something more than 400 men turned out.

A noticeable feature was the perfect equipment of all the troops, both officers and privates. In this respect the regiment is in better condition than at any time since it was mustered out of service after the Spanish-American War. From now on, practice marches and field work will become part of the regular routine exercises of the regiment.

The drill and parade yesterday were under
